Wake 8:50 - 10:30 + Sweatt 10:30 + (w James Kirk, WBTP). Then Sweatt + Jack Faulkner to Hosp. Thereafter lunch with Sandy Sanderson Chief until after 3 p.m.!

In afternoon Sweatt said anything off the record, but he didn't + had not on a.m. He then (a.m.) explained LHO - impersonal setup + then Ruby; immediate FBI, sham at time TSS 11/63. showed Carbine / tape to Barrett + then FBI agents immediately - called Ch + they Wade went out to the pkg which were given to FBI then, not delayed until 7/64; p.m. w. Sanderson; after sometime Inside, but quote + half - later via sig (Sweatt had up had dollar). Then [illegible] upon this that went heard off (This was Sat 11/23 a.m.) Got yes FBI re depth immediately - Sweatt personally (he is now dead) told directors, Sanderson also dead

Ruby to cafe has all his pictures, files - from Ruby via Abt Andrews told you interviews on Warren - impeachment - said that not enough

Sad But me in middle block [illegible] + ending this pictures, but I see his account of this - planned + went purpose + knowledge Think he means premeditated

Ruby handcuffed on Dec agreed use of shackles just Sweatt had all great misery - 2-3 hrs each day. He said Ruby really excited to be invited to Hypnosis Apt + then return to Cafe to open [illegible] + be famous - Ruby not what Ruby said

Was left with Sweatt - Sherrod, not Bowers, Sherrod Bowers Sheriff, also came + to be polygraph with two men who had attended + but Sweatt out of his own pkg. room when he learned + was an expert for

Ruby ~~would~~ transferred into FBI Office (Pkg) when Ruby was brought + would have walked out with anything, was a LHO right, Assassin by that one just saying worked in large number with + known, suggestions from which planned, Possible Sig, happens on steps, Ruby hate Dr Attny Tague signed from the Dal Examiner. He also wrote what got like and not even up to maybe, Ruby brought but not upset by the Dal Examiner." The Dallas Police + Jack Ruby + Dallas

2. me why) got all from Wade.

He was Ruby on some film saying Oswald was behind it. Jones never used. Anderson just long interview on film with Marina from when Matt on was in agent. Cia / FBI? dead now January Thompson.

Ken says he was at Dorothy's meeting Ruby when he was shot. Marina been promised interview by Becker. Says Ofim was a character like Ruby one, one he thinks but did not name, dressed in pulled-down hat + coat, wears dept on protests (Stewart says he)

Stuart doesn't say but when he left, moderately "Indicted" Nam in State Dept (which by deep inside deal with Marina & would not defect in).

Says his wife immediately guessed on Ruby. Also says she was in newspaper and he marched with sign saying "I Wanna Free Ruby" but Rumba this is strange because "Oh, she didn't mean not a free for him." Wants to forget because of this any feelings of having left with 5-yr old. Says Lute also said "Why fools and take to me after I retire and get sick."

Was originally questioned never asked to give statement about anything but LHO - my - Hoffman story - wrote notes on this line.

Says neighbor had Marina over kind of impromptu party and started out had coffee + both left and she smooth talk fixed up.

She had visit Englishman + subpoenaed in Dept + Stuart found when she left LHO apart.

Taffy is about to deliver it when he was killed - Myers was Taffy not spend any time in so long - Pam Kyle what would have husband run about her for money doesn't go through in At all things Graham - but in candidates for Lunch + Jones Attn Dept and Warren Com. Pamela Taylor has Thomas known in post of Hoover this 14. wrist have stopped - Ruby suddenly Catholic - but as was not worked out + Dem with me White Jew [illegible], did not

3/ [illegible] Dallas. Inquiries [illegible]
[illegible] [illegible], etc

Faulkner analyzed [illegible] in my report
Typing was in 5 parts

Knew nothing about [illegible], photos, etc, but
both times started [illegible]

Called F. "Jack come look at this. It is either a
fake or the [illegible]" [illegible] wasn't.
Gave F a copy [illegible] out. O gave him my
[illegible].

O. knew they [illegible] was source of [illegible] to
[illegible]. Said they were deeply [illegible]
about it, F said he knew [illegible], including [illegible]
[illegible]. F said he'd like to know more & O told
with consent from O. [illegible] & use to FBI,
but O did not [illegible] to [illegible] at his
[illegible], was pleased

Said has folder of [illegible] in his [illegible] long desk drawer. He
went through them to show me [illegible] card. Very
little in that drawer. Said, after 8 years & 1 week & when
he says [illegible] he just wants to forget it. Folder about 3/4" thick.
Looked like all 8x10 glossys.

They kept negatives of all [illegible]. Says all these
immediately [illegible] would come through & he keep
[illegible].

Thinks Dallas [illegible] Sheriff [illegible] & "O was raised up
by Decker". It was D's greatest contribution & he only what
he was the sheriff of Dallas County

Both believe Ruth & at least F [illegible] he had
been in pay of FBI (said so at least twice) and
believes Hosty would have been leaning on him at time
of assassination.

Not like Marina when I called him on 10 Jan
that day was only one who [illegible] at 7:30 PM &
then sent word after [illegible] took pix, which I did
not question [illegible] did not press.

5 was a blow to F, who called & they were

4) were about to leave with LHO. F told planes & it is what he said before WC. 3 subjects they also discussed other things, Garp only he & Fritz know (Fritz is entitled to 3, 2, 3 & attempt to be WC most qual in Cases he handled, according to Wade) asked nobody ever asked him about it.

Gonzalez not just boss as big stone, D. says.

Wade remembers Gonzalez favorably & asked where he now is.

Sandy & S doing alleys was in TSBD. Sandy was two blocks away and says that when he got to TSBD & tried to get in he was "passed out" physically. He says he has thrown down all those steps & hurt the paperwork first step.

Wade would not [illegible] the opening in his camera & had to [illegible] Sandy, but Sandy wouldn't send it to him.

In the [illegible] Truitt is dead image of J F Dulles. but Carl says like full face rule

Buddy Walthers had only 3 bullets in his gun & had fired 2 before he was killed by man in hall with his own gun, not W's. Man "upstairs" appealing death sent on a.

W not alone, partner also wounded. Can't explain why W had only 3 bullets in weapon

Claims [illegible] were about 50 groups that planned to kill JFK when O said that must be 4-5,000 threats & yet he said he was talking about groups that actually plotted it. Gave no explanation or details. When O asked if he knew of person [illegible] group Rip Allison was working against & never knew Oswald did it, emphatically

Both missed—Carl—2 shots close together & can still hear them - will never forget. Both think 3rd missed.

Both think 2 Ho did shooting but consider conspiracy possible.

" believe Parell's story Paris Waldis secretary. R is with Tyler Transport (?). I asked her to make appointment with him.

5):

P. has no use for Christian & considers him dishonest.
Did not know he is now Phil. D. t.

Could he see copy of death certificate written by a Washington doctor in some hospital. I think he means proctor.

Wade did not like LBJ. did ~~like~~ like JFK. He would take care of he had somebody to charge, but he would not without a person to charge

RLIF Don't have any tapes now - will move director
